**WELCOME**

**The Mission of the Armenian Church  
according to St. Gregory the Illuminator**

- 1) "To bring light to all people who come into this world;
- 2) To offer repentance of salvation to all;
- 3) To wash all people and deliver them from the chains of darkness by means of baptism;
- 4) To seal all nations as Christ's inner circle;
- 5) To make the Spirit of God dwell in people's hearts;
- 6) To unite and join them to the love of the Son of God, so that the heart of all might shout out as one, and to unite all the world in saying: "Abba, Father," so that the name of enslavement might be taken away, and the name of adoption be placed on them by the grace of Christ;
- 7) To enable them to eat the Body of the Son of God and drink the life-giving Blood, so that thereby they escort the entire world into the inheritance of Christ, to become "heirs of God and fellow heirs of Christ."
